FIRED – WITH PASSION

A very hot reason for losing a job!

Just out of college, I began my job search with a mixture of excitement and fear. What if nobody wanted me to work for them? What if I found a job but then hated it?

My first concern was proven groundless when I had three job offers in one week. Migod! A wealth of choices! Now I had to decide which job was best. I made my choice, accepted the offer, and went to work for a company I'll refer to here by the obviously fictitious name of "Acme." My immediate supervisor was a woman who, for the purposes of this story, I'll call "Meg."

Acme was an old-line, conservative company. They had a strict dress code, and it wasn't relaxed on Fridays; there were rules for many other things as well. Meg was a strict boss—the kind you just knew the company loved having—though she wasn't unfair or unkind. But she made you toe the mark, and she wouldn't accept anything less than your best. And that included behavior as well as work; no water cooler gossiping was tolerated at Acme. I often thought I was back in school—elementary school, where behavior was by the book. I was all but ready to raise my hand when I needed to go to the Ladies' Room.

In an atmosphere like that, I certainly thought it was best to keep mum about my bisexuality. I had no lover at the time anyhow, but somewhere down the line I was bound to meet someone, and if it was another woman, I figured I'd better keep that information to myself if I was talking to a co-worker over lunch…at least, till I knew who had a big mouth and who could be trusted.

One afternoon, a couple of months after starting work at Acme, Meg asked me if I would mind staying late to work on a project. I had no plans for the evening, so I acquiesced. When it got to be 6:00 and we were nowhere near finished, Meg asked, "Do you like Chinese food? It's on the company." She didn't order from the El Cheapo chow mein takeout joint around the corner but from a high-priced place a few blocks away. It seemed that Acme, if conservative and staid, at least had a proper appreciation for their workers who gave extra of themselves. Acme was willing to give back.

Over dinner, Meg got more informal. She took off her suit jacket and even kicked off her heels. The shoes came off first, and Meg stretched her legs and feet luxuriantly. I noticed her dainty feet, encased in the silky pantyhose, and how trim her calves were, which I'd never noticed before.

When she removed the jacket, I noticed her boobs for the first time. Twin hills of pillowy perfection, they jutted out firm and proud under her cream-colored, satin blouse. I could even see the outline of her nipple cogs beneath the shiny material. She leaned back in her chair, and the pliant but firm hills protruded even more noticeably. I looked quickly away, though my thighs were tensed and my pussy had begun to thrum and quiver.

"So…how does life in the workworld compare with college?" Meg asked between bites of Moo Shu Pork.

"I like it. It's different, but I appreciate a good challenge," I answered carefully, taking another careful bite of my Szechuan Shrimp.

"Are you getting settled socially? A new town, a new life…you need to make a whole new set of social connections…friends, lovers…."

"I've made a few new friends. I'm sure I'll make more friends as I go along."

Meg seemed to be waiting, but there was no further information I wanted to give her. I realized I had left part of the question unanswered, but I took another bite of my shrimp, and Meg returned to her pork.

We made a bit of idle conversation intermittently through our dinner, then returned to work. It was nearly 8:00 when we finished. Meg opened a desk drawer, unlocked a cashbox, and handed me some money and a petty cash slip. "Cab fare," she said. "Fill out a slip for me, please. If it's less, bring me change; if it's more, I'll make up the difference." She smiled. It was a smile that lit my soul deep inside me. She didn't smile often at work. I was captivated. The next day, I remained aware of her tits, her legs, her overall figure, and that brief but warm smile. It had lit not only my soul, it seemed, but my pussy as well. But there was no further personal conversation with Meg, and so all I could do was lust silently. And I did…day after day after day.

It was two Fridays later that I went to the club. It was a trendy nightspot frequented by a largely gay/lesbian crowd, with a small number of with-it straights as well. I went alone, though I hoped not to leave that way. A girl in a bright red outfit caught my eye, and I asked her to dance. We were going through some pretty dirty moves on the floor, when I did a turn and noticed…Meg. Her eyebrows shot up in surprise. Then she caught herself and restored her composure.

The girl in red drifted away after the dance, but Meg caught up to me. The music was loud, and she guided me outside where we could talk. "I didn't know you were lesbian. You realize I'm going to have to fire you."

"There are laws—" I began.

"—there's a company rule against dating the people under you. Fortunately I have a friend who can use a person with your abilities. She pays better, too. What are you doing tomorrow night? Do you like Greek food? There's a great restaurant conveniently near my home…and afterward…."

So that's how I lost the first job of my post-college life…and gained my first post-college lover. The Greek food was excellent, but Meg's lovemaking was even better. She poured us each a glass of wine, then removed my clothing, exposing every inch of me and kissing every inch she exposed.

She didn't just kiss my boobs and my pussy. She licked my neck, nibbled my midriff, and grazed my thighs with tender teeth. But oh, what delights she brought to my most sensitive parts. Her tongue swirled so lightly around my nipples, it almost wasn't touching them at all. Her teeth scraped across the buttons of my nipples, stroking them lightly. Her tongue came back into play, dragging around my areolae, scraping the raised little bumps and making them rise up farther. And then she licked in such a way as to make my nipples and aureoles very wet, then pursed her lips and blew on them till I shivered.

Her attentions to my pussy were just as carefully orchestrated. She started with her fingers, lightly working her way from my knees to my thigh-tops with strokes that carefully trailed off just south of my pussy-vee. She followed this up with slow, exquisitely torturous tongue strokes that once again stopped just short of my bush.

Then she ran her fingers through my long, luxuriant pussy-fur, tugging at it gently every few seconds. Finally her fingers slid into my cleft, but they avoided my clit at first, settling into the valley on either side of it, sliding on the ever-slicker surface of my burning pussy. Only when I was ready to scream did she finally slip up to the top of my mini-mount and flicker lightly across the quivering tip of my clit.

It was just the whisper of a touch. It was soft as the touch of a feather, fleeting as the flap of a bird's wing. When she was done, I was more ready to scream than ever. Touching me only briefly like that had been as cruel as walking a small child through a toy store, letting her admire everything, then telling her she couldn't have any of it.

But of course, Meg wasn't done with me. Spreading my labia with her two thumbs, she pursed her lips and blew into my crevice. Her breath-breeze caught my tender tissues unaware; I quivered all the more because I was so wet down there, and the breeze hit the moisture and made it tingle. Moving her head up and down, Meg directed the breeze from the front of my slit to the rear and back again.

Then she inserted a finger at the entrance to my pussy-canal, sliding that finger around my pussy-rim and making me quiver. Then she slid the finger up inside my depths. Another finger joined it. Another. Three fingers were lodged up in my quaking canal. Slowly she withdrew them…and more rapidly, she thrust them back in. She was seriously finger-fucking me now, sliding her fingers in and out.

Just when I thought that Meg had pushed all my pleasure buttons, though, she upped the stakes by slipping her forefinger from her other hand into my pussy just long enough to lube it with my juices, then taking aim at my brown ass-button and sliding it quickly within the clench of my tight pucker. As I gasped with surprise (and pleasure), Meg's forefinger slid into the tight embrace of my anal ring and began to probe inside me.

Now she was fucking my pussy with three fingers, fucking my ass with a finger of the other hand, and I bet if she'd had a third hand, my breasts would have been in for some pleasuring too. But as it was, she was doing just fine. She rocketed my pussy-fever into the danger zone, while I arched my back and thrust my pelvis high up, straining to come.

That's when she surprised me yet again by putting her thumb on my clitoris and wriggling it agilely back and forth, spiralling the heat that burned in me up to even more torrid levels. Of course, I was near climax now, and it didn't take long of humping up and down on the bed, gasping and straining, my face wet with sweat and furrowed with exertion, for me to come off, screaming out my delight and relief.

Meg helped gentle me down by stroking my nipples as I slowly returned to earth, and when I had finally taken a shuddery semi-normal breath and could speak coherently, I thanked her for the exquisite climax, adding, "And now it's your turn. Lie down." I sat up, pushed on Meg's shoulder insistently, and guided her flat onto the bed. My mouth was on one of her boobs in an instant.

The flesh of her tit-nubbin was so hard in her excitation that it seemed to want to drill through my tongue as I flicked insistently at the little point of jutting flesh. I scraped at the sides of her nipple, alternating that action with licks at her nipple-top. Meg was already writhing in delicious need on the bed, but I was in no hurry to satisfy her. Switching boobs, I gave the other one the same treatment I had given the first.

Meg's lithe body limberly writhed in quest of climax, but I stayed far north of her pussy, stroking her ear with my fingertips while tonguing and nibbling at her boobs. Finally she groaned, "Make me come! Please!" and I took pity on her…after a fashion.

I moved down to her pussy, but not directly. I tongued my way down from her boobs, and I took a circuitous trail at that. Licking down her taut, trim belly, across her creamy, pale flesh, zigzagging from one side to the other, I finally arrived at her fragrant pussy-bush. Although Meg certainly was clean, she still had the musky womanscent of a woman in heat, exuding pheromones and sexy sweat. The scent went straight up my nostrils and down to my pussy.

And my tongue went to her pussy. Working its way through her pubic thicket, I tongued my way to the top of her slit, then into it, then onto her clit. Now I heard her groan again, "Get me off. Now!" and I got down to the serious business of tonguing around her clit, across the tip of it, back and forth, round and round, finding the rhythm and motion that suited her best.

Three fingers up her pussy-tunnel complemented my tongue action and drove her heat up. Meg bucked on the bed as my fingers and tongue turned her furnace up and up. I kneaded her breasts with my free hand, then tickled her nipples, which seemed to delight and inflame her. She was writhing wildly on the bed now. I could tell she was seconds from coming.

I couldn't talk—my tongue was too busy—but I urged her toward her climax by grunting, "Um! Um! Um! Umf!" as I licked her clit. And she echoed my grunts as she strove toward climax, "Ungh, ungh, ungh, unnnnngh!" and she was coming off in my face, her body one concrete-hard mass of stiff flesh arched upward and holding the pose as her climax shook her body.

I lay down on top of her as she settled back down into repose. We hugged. We kissed. She tasted herself on my lips. And then, slowly, our bodies began to undulate, and the next thing I knew, we were writhing together in a dry hump, grinding against each other, driving our pussies together, mingling our free-flowing juices, hunching our pelvic bones hard against each other. And then—quickly, effortlessly, almost surprisingly—we were both coming again, in near unison, and kissing each other as our orgasms overtook us.

So that's the story of how I lost my first post-college job—and found my first post-college lover. It's three years later, now, and Meg and I are no longer "an item," though we remain friends. I still work for her friend. It's a good job. Meg still works for "Acme," which is why I'm protecting her by changing her name and the company's. I don't suppose they'd look kindly on her firing me so we could have sex without breaking the rules. (They don't even know she's a lesbian.)

My current boss (Meg's friend, and no starched, stuffy corporation) has just hired a new girl who intrigues me. I'll have to get her to work late one of these days. Maybe I'll get to know her better. I'd like to get to know her much better.

And I won't have to fire her to have sex with her.

CHERRY SURPRISE

I rolled my tongue over the side of Becky's soft neck, feeling her shiver in my arms as I licked from where her shoulder met her neck all the way up to just below one ear. I shoved her panties as far down as I could reach. Becky's foot kicked them off the rest of the way. I glanced down, seeing her pink panties hanging from one ankle, but more importantly, I saw Becky's legs opening wide, and I saw her trimmed pussy staring up at me.

My hand slid over her tummy as my mouth left a moist trail downward. I licked from one nipple to the other, sucking most of each delicate titty-mound into my mouth at each stop. Becky moaned, her body undulating as my hand drifted farther south. I felt the top edge of her silky, soft pussy hair, and then a wave of moist heat from her pussy washed over my fingertips as Becky's hips came up. Her teenaged flesh quaked as I teased around the slippery opening. When I pushed inward, my fingers dipping into her wet slash, she let out a groan.

This time for sure, I thought as I cupped her hot pussy, sliding my middle finger into the slot to pick up her wetness, then moving it quickly up to her fully swollen clitty. I started sucking her nipples harder as I flipped up and down over the jutting tip of her joy-button. It didn't take long. About 30 seconds of clitty rubbing, and the 18-year-old virgin was coming.

"Oooh, yes!" she hissed as her entire body shook from the force of her climax.

Becky's petite young body was on fire. This was the time that she usually started jacking me off, but I surprised her. Before Becky could come down from her climax, I slipped between her legs and started lapping the folds of her pussy.

"Ooh, my god," she moaned as her fingers dug into my short hair. "What are you doing to me?"

I was too busy to talk right then. I licked her pussy and sucked her clitty until Becky came again. This time the orgasm was so wild it damn near tossed us both off the couch in my studio apartment.

I was busy as I licked her pussy. I pushed my jeans and underwear down to my ankles. Then, with her still coming, I slid on top of her, my naked cock throbbing next to her juicy slit. I dry-humped her, sliding my cock back and forth, feeling Becky arching her back as her pussy bucked to meet my cock.

"Ooh, that feels good," she cooed under me.

"You think this is nice?" My moist tongue followed the words into her ear. "Wait till you feel it inside you."

"Do it," she said.

"What?" I gasped, not sure that I'd heard her correctly.

AFTER DINNER WHEN WE STOOD UP, I WENT TO ADJUST MY SKIRT AND HE ORDERED ME TO STOP.

"I want you to do it," she whispered as her lips found mine. "Fuck me. Ooh, god. I want you to fuck me!"

I'd been waiting to hear her say that for what seemed like forever. I'd been trying to fuck this beautiful teenager for almost a month. It took me that long to get where I wanted to be. Becky loved everything I did to her in the dark, but she told me up front that she was still a virgin.

We worked our way toward her losing her cherry in stages. Becky loved coming, and she loved making me come with her fist. We masturbated each other for a week or two, and then I started getting on top of her before I came. She loved it when I spurted all hot and wet over her pussy, but each time I tried to put my hard, throbbing cock inside her sexy young body, my girlfriend stopped me just short of the goal line.

But finally she was ready. We were all alone at my apartment. An hour of foreplay had her so hot she was about to burst into flames under my wandering hands and mouth. I grabbed a lubed condom and quickly rolled it over my hard-on. I put the head of my already jerking cock against her hot slit and pushed eagerly inward.

Becky moaned, her body surrendering, opening as I shoved my cock deeper into her body. I felt her pussy enveloping my hard-on. I pushed it in, deeper and deeper, but halfway into the fiery tunnel, something blocked my way. She really is a virgin, I remember thinking. I pushed in again, then pulled back until just the head of my cock was in the nibbling grip of her hot pussy-lips.

"Are you sure?" I whispered.

"Yes," she hissed. "Do it."

I stroked in hard, popping her cherry in one stroke. My cock sank all the way into the tightest pussy I'd ever felt, and as it did, Becky's entire body came up toward me, trying to suck me in deeper. If it hurt, she sure didn't show it. She gasped and dug her fingernails into my shoulders, and then her legs came up to wrap around me like she never wanted me to pull out.

Becky's pussy was rippling up and down the shaft of my cock. I was buried as deeply as possible. All I could manage was little, inch-long strokes, but that was enough. Becky started coming, and I came right along with her.

She snuggled in my arms for about five minutes, then started kissing the side of my neck. She got up on her hands and knees, kissing me as she toyed with my soft cock. It didn't stay soft for very long, I might add.

But this time it was Becky rolling the condom over my cock. Becky crawled up on top of me, centering the blunt tip of my second hard-on in the light fur over her hot pussy. She slid down, gasping as my cock filled her to the brim.

Becky's eyes rolled back in her head as she began moving her hips, fucking on top of me as if we'd been doing this all of our lives.

So much for the reluctant virgin!

Matt, Iowa

BECKY SATRTED COMING, AND I CAME RIGT ALONG WITH HER.

SPRING INTO ACTION

Outdoor sex is special. Nicole would back me up on that, especially since our recent encounter.

I helped Nicole out of her shorts, and she helped me pull down my trousers. I didn't see any tan marks anywhere on her trim, five-foot-two body. She was evenly brown all over, including her small but impressive titties. When my tree-trunk-stiff woody appeared, Nicole swung all that long red hair of hers over my lap and began sucking me off, sliding my boner into that wonderful moist heat. She turned over on me, totally naked in the sunlight, bringing her teenaged pussy down over my face as my prick sank even deeper into her sucking mouth.

The idea of making it under the open sky must have really turned on that 18-year-old beauty. Nicole turned into a wild woman on my blanket, doing 69 with me, a man she'd met only an hour before. She tilted her pretty face back and let me fuck my prick all the way down her throat, and as I did she moaned around my deeply embedded, throbbing flesh.

I raised my hands around her tiny body, completely encircling her shivering frame in my arms. The skin on her back rippled as I ran my fingers over it. She wasn't turning all goose-bumpy from the cold. All that shivering Nicole was doing was a response to the things I was doing to her with my tongue and hands. In fact, as far as being cold, her shoulders and smooth back were much warmer than the horny teenager's front. I could feel the intense spring sun warming her flesh as it shone down over her butt.

Nicole should have been the

child of a flower child from the '60s instead of the daughter of a couple of yuppies from the '80s. She was into peace marches and save the whales and all that stuff. That day, she was at a rally to stop the county from cutting down a grove of ancient oak trees on the site of the new fire station.

Nicole was dressed in a pair of shorts cut so high that the cheeks of her ass hung out, and a thin top that framed a pair of high and tight boobs. Her tummy was flat and firm, and her face was angelic even when she was yelling at the county officials.

I didn't tell Nicole that I worked for the construction crew that had been hired to cut down the woods. As we talked, nipple prints appeared in the thin material of her top, and soon I could count the bumps in the dark circles around her stiff buttons.

The rest of the crowd faded away after the TV cameras left. Soon Nicole and I were all alone. I got a blanket from my pick-up truck and we walked in the woods until we found a pretty spot by this bubbling brook. I picked some wildflowers and put them in the girl's long hair.

Her boobs felt as good as they looked, and the nipples turned even harder as my tongue circled them. I put my hand on her flat tummy, sliding down into her tight shorts. My fingertips touched her pussy, but her shorts were too tight to let me do much more than just wiggle my fingers.

"I like being naked outside," she groaned as I worked at the buttons to her top. "I love the feel of the sun on my skin."

"I love the sun, too," I said. Of course, I would have said anything about then.

"I want to be naked," she went on as I reached for her shorts. "I want to make love right here by the brook."

"You got it," I said as I hurried up with her clothing.

I was happy to cooperate. She squirmed up over me on the blanket, and I began licking her hot pussy. Nicole did her best to swallow my prick all the way down her throat. I worked my tongue in long swoops, flipping her clitty and then plunging deep into her tight pussy. Nicole just sucked, not doing much besides bobbing her pretty face and doing her best to swallow every inch of my thick prick down her throat.

THAT DID IT. MY OWN ORGASM HIT LIKE AN OLD GROWTH...

After a few minutes of that, it was decision time: Did I want to pop my cork in her mouth, or did I want to fuck this wild teenager?

I fucked her!

I rolled over with Nicole. She turned on me like some woodland sprite seducing a mortal male. She moaned, reaching for my prick, and as I pushed up she guided me into the burning, slippery hole of her pussy. She sat fully upright, the sun shining behind her long hair. As she arched her back, her hard-nippled titties pointed skyward.

"Yes," she hissed. "I love making love outside."

My hands went to her tanned titties as I pushed my prick up as high as possible. Nicole danced over me, using her hips and inner muscles to drive me nuts. I reached down, thumbing her clitty, making that teenage flower child blossom.

That did it. My own orgasm hit like an old growth tree coming down with a crash. White spurts of cum shot up into Nicole's hot, grinding pussy. She finished slowly, grinding until my prick softened and slipped from her young pussy's tight grip.

As I lay there in a naked girl's arms, with the scent of spring flowers all around us in my nostrils and the sounds of the brook in my ears, I began to see why Nicole thought all this was worth saving.

It looks like I'll need to find a new job. No way is Nicole going to let me fuck her again if she finds out I'm a tree killer! And I'm determined to keep fucking that sweet, young hottie!

JAYME LANGFORD & NIKKI KANE

Dog groomers always have more fun. These stunning babes kiss after the last pooch is serviced. Soon Nikki's licking Jayme's hairless love box as she part her wet hole with her fingers. Then Jayme slides her tongue into her groomer friend's pussy. After enjoying licking each other's pussies, it's time to bring out the toys. Finally, they succumb to their animal passions.
